## ONE - INTRODUCTION

**1.1 General.** As professional athletes, PBA members must maintain the highest standards when representing the public image of bowlers in general and the PBA in particular. At all times during competition and attendance at any PBA event or other bowling related functions, members must hold themselves to the highest standards of conduct and decorum.

**1.2 Fan Relations.** Fans come to PBA events primarily to see the players. No other sport offers such access to its athletes. PBA members should take advantage of the opportunity to encourage greater attendance at tournaments and a broader awareness of the PBA by interacting with fans; responding to greetings, signing autographs and answering questions. Young fans are particularly impressionable and PBA members have the chance to form a lasting positive image of professional bowlers through friendly interaction with young fans.

**1.3 PBA Professional-Amateur Events (Pro-Ams).** Pro-Am events can be the most exciting part of the tournament for hundreds of amateurs. It is extremely important that customers and fans walk away with the feeling that the most valuable aspect of the experience was the opportunity to bowl with the professionals. Members can help amateurs enjoy their experience by doing the following:

**1.3.1 Shake Hands.** Shake hands; make introductions, converse with the amateurs and offer encouragement. A little conversation will go a long way toward creating a fan for life.

**1.3.2 Bowling Tips.** Offer some helpful instructions or tips and take the time to explain technical points or terms that may be unfamiliar.

**1.3.3 Trick Shots.** Perform "trick shots" when the Professional's scores do not count.

**1.3.4 Thank Amateurs.** Thank the amateurs for the opportunity to have bowled with them when the game is over. Expressing appreciation for the host city and center will encourage fans to come back when a PBA event returns.

**1.4 Media.** PBA members may be asked to speak to the media during competition or prior to PBA events. As with any professional sports coverage, representatives of the press are interested in the athlete's perspective on the competition, the challenges posed by winning or accepting defeat and expression of the athlete's personality or individual characteristics.

**1.4.1 Public Persona.** When speaking to the press, PBA members should be polite, personable and informative about the sport of bowling.

**1.4.2 Notify the PBA PR Department.** All interviews should be arranged and/or pre-approved by a member of the PBA Public Relations (PR) staff. Media should go through PR for any and all interview requests; if a member of the media approaches you about an interview, please make the PBA PR staff aware of it. Interviews should never take place in Host Center lounges or bars.
