

JIM WELCH MEMORIAL SCHOLARSHIP

The PBA Jr. Jim Welch Memorial Scholarship was created to honor Jim Welch, a former PBA / Bowlero employee. Jim was a well-known tournament and league promoter, and a huge advocate for junior bowling. PBA Jr. is proud to be able to award these scholarships in Jim's name.

ELIGIBILITY & PBA JR. CLUB MEMBERSHIP

1. PBA Jr. Club members with a current and active PBA Jr. Club membership will be eligible to accumulate points in order to earn SMART awards in the PBA Jr. Jim Welch Memorial Scholarship. The 2025 PBA Jr. Jim Welch Memorial Scholarship is open to all male and female PBA Jr. Club members who have not yet reached the age of 18 as December 31, 2024.
 - a. Junior bowlers who turn 18 on January 1, 2025 or later will be eligible to earn points in the 2024 calendar year as long as they had an active PBA Jr. Club membership prior to their 18th birthday.
2. In order to earn points in a PBA Jr. or PBA Jr. Affiliate tournament participants must have a PBA Jr. Club membership that is current and active prior to competing in that event.
 - a. Points cannot be assigned on a retroactive basis if a PBA Jr. Club membership is acquired past the tournament start date.
3. If a PBA Jr. Club membership expires during the calendar year the PBA Jr. Club member must renew their membership within 90 days of the membership expiration date in order to retain their cumulative points earned up to that point. If the membership is not renewed within the 90 day period, the PBA Jr. Club member will forfeit all points earned.
 - a. Any points earned in a PBA Jr. or PBA Jr. Affiliate tournament during the period when the membership is expired shall NOT be added to the expired members cumulative point total. They must renew their membership prior to competing in order to earn points for that tournament.

POINTS & SCHOLARSHIP AWARDS

4. All participants in a PBA Jr. or PBA Jr. Affiliate Tournament will earn points based on their final position in the tournament standings. A bowler does not need to have qualified for a SMART award in a tournament in order to earn points.
 - a. If there is a tie for a final standings position in a PBA Jr. Affiliate tournament, all bowlers tied will receive the full allocation of points for that position.
5. Points will be tracked separately in each of the 5 PBA Jr. Regions: East, South, Central/Midwest, Southwest and West/Northwest.
 - a. PBA Jr. Club members will be assigned a Region based on the home address listed in their PBA Jr. Club profile.
 - b. PBA Jr. Club members may bowl in a tournament outside their assigned Region, but any earned points for that tournament will be added to their assigned Region total.
 - c. Each Region will have a separate Boys and Girls Division.
 - d. SMART scholarships will awarded in each Region and Division as follows:

8. Tracking of points for the PBA Jr. Jim Welch Memorial Scholarship awards will run on a calendar year basis (January 1, 2025 through December 31, 2025). Tournament eligibility will be based on the start date of the tournament.
9. Prior to the end of the 2025 calendar year, PBA Jr. will announce a deadline date to all PBA Jr. Members for reporting any point discrepancies. Any discrepancies must be reported by email to msledz@pba.com by the announced deadline in order to be audited.

MISCELLANEOUS

10. TIES: In the event of a tie at the end of the calendar year for a position that awards a SMART scholarship, the amount of the SMART award will be divided equally by all PBA Jr. Club members tied for that position.
11. DOUBLES, TRIOS OR TEAM EVENTS: If a tournament is running a doubles, trios or team format, PBA Jr. Club members participating in the event will receive points based on the doubles, trios or team final position in the standings. It is not required that all members of the doubles, trios or team be PBA Jr. Club members. Points will be awarded only to doubles, trios or team members who are current active PBA Jr. Club members.
12. If a participant feels that any PBA Jr. points total are inaccurate, an email request for investigation and corrections must be submitted by email to msledz@pba.com.
13. The PBA Jr. Tournament Committee shall have final determination on any ruling regarding point totals and the PBA Jr. Jim Welch Memorial Scholarship. Participation in a PBA Jr. or PBA Jr. Affiliate Tournament designates acceptance of these rules.
